

SUITES SANDY CONDO E

BUCERIAS, NAYARIT, MEXICO

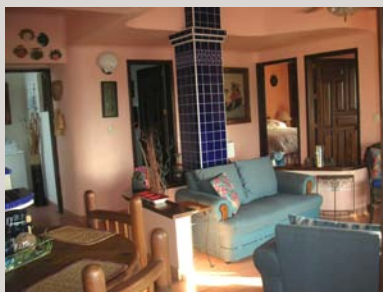

This top floor corner condo located in Bucerias is just three blocks from the beach and comes fully furnished with spectacular ocean and mountain views from the terrace. It is in a prime location and many good restaurants are nearby.

Enjoy the beautiful sunsets from the large furnished terrace which is surrounded by plants. This complex truly has the Mexican feel and charm. The condo has been very well maintained and is ready to move into. Beautiful gardens surround the spacious common area and pool.

This magnificent view is from the terrace. Any hour of the day offers a great view but the sunsets are very special. There is low voltage lighting on the terrace giving a very romantic ambiance in the night.

The living area which opens out to the terrace has plenty of natural light. The master bedroom is very spacious and also offers an ocean view. The bathrooms were remodeled about 5 years ago. Each room has a ceiling fan and the bedrooms have AC.

Not too long ago new ceramic tile was installed on the kitchen counters. There is a bodega right off of the kitchen with a full size washer and dryer.
